Assignment of Copyright

In consideration of the action of the *Journal of Chiropractic Humanities* in reviewing, handling, and editing all the contents of this submission, I hereby transfer, assign, or otherwise convey all copyright ownership including all rights and incidental thereto, exclusively to the *JCH*, in the event that this work is published by the *JCH*.

By signing this form, I affirm that this submission has not been previously published elsewhere in any medium (paper or electronic); the content has not been simultaneously submitted for publication elsewhere in any form, and is not subject to copyright or any other rights except my (our) own to be transferred to the *JCH*.

Authorship Attribution and Contribution

I confirm that I have contributed directly to the intellectual content of this paper and satisfy authorship requirements as stated at www.icmje.org :1) I have provided substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data; 2) I have been involved with drafting the article or revising it critically for important intellectual content; and 3) I have given final approval of the version to be published (authors should meet conditions 1, 2, and 3). If requested, I will provide the data and will cooperate fully in providing the data on which the manuscript is based for review by the editor. I agree to allow the corresponding author to make decisions regarding prepublication of this paper. I have contributed in the following areas:

Check all that apply

- Concept development (provided idea for the research or article, created the hypothesis)
- Design (planned the methods to generate the results)
- Supervision (provided oversight and was responsible for the organization and implementation of the project and the writing of the manuscript)
- Data collection/processing (responsible for experiments, patient management, organization, or reporting data)
- Analysis/interpretation (responsible for statistical analysis, evaluation, and presentation of the results)
- Literature search (performed the literature search and retrieve of articles)
- Writing (responsible for writing a substantive part of the manuscript)
- Critical review (revised the manuscript for intellectual content prior to submission, not relating to spelling and grammar)
- Other (list other specific novel contributions) _____

Conflict of Interest

Any conflicts of interest and financial interests on my behalf that exist (or may be perceived to exist) in connection with the content of this paper have been clearly disclosed to the *JCH* in the cover letter to the editor.

Funding Statements

Sources of outside support of the project have been clearly stated in the cover letter, and the role of funding organizations, if any, in the conduct of the study is described in the Methods section of the manuscript.

By signing, I confirm that I have read the instructions for authors as posted on the journal website www.JournalChiroHumanities.com have complied with their contents, and with all of the above content of this agreement.
